President, Heightened-Security, Inc.  
77824 Wolf Road  
Palm Desert, CA 92211

Dear Mr. Murphy:

The California Department of Transportation (Caltrans) Divisions of Traffic Operations has completed the evaluation of the new product Traffic Shield GAWK/Glare Screen (NPE 13-12-001), submitted by Heightened-Security, Inc.. A review of the test data and material submitted by Heightened-Security, indicates that this product is satisfactory for use on California State highways as a temporary GAWK/Glare Screen. I am pleased to inform you that this product will be included on the Caltrans Authorized Materials list (AML).

Any modification of material, composition or configuration of this product shall be conveyed to the Division of Traffic Operations. Failure to disclose product modification may result in suspension of approval, pending re-testing. Product approval does not constitute an endorsement by Caltrans.

If you have questions or comments, please contact Devinder Singh at (916) 654-4715

Sincerely,
